Our COVID-Secure Promise

The most important thing to us here at Collegiate has always been, and continues to be, the safety and wellbeing of our tenants and staff.

After the events of 2020, we are even more committed to creating the most safe and secure environment possible that you can be proud to call home.

As a result, we have made some positive changes to our check-in process, as well as how the site operates, so that you can feel happy and secure in your new home.

Checking In

Prior to check-in

To make your check-in process as smooth as possible, you will be required to complete the following on your Collegiate Portal:

Allocated check-in slots

Next you will be able to book a check-in slot on a first-come first-served basis.

Extra cleaning services are available for you to purchase via your Collegiate Portal to assist you with keeping your apartment clean, including communal areas.

Hand Sanitising Facilities

Automatic hand sanitising stations will be located around the site for you to use.

Our Staff

Training

We exceed the industry standard for training. Our accommodation staff are fully ANUK trained and have undertaken specific Covid-19 awareness training which ensures they have a full understanding of coronavirus and how to reduce its spread.
