Contents Insurance

By partnering with Endsleigh, the No.1 student insurance provider, we have arranged contents insurance for all our students staying with us in our residence. During Your Stay

Our COVID-Secure Promise

Collegiate are committed to creating a safe and secure living environment and as a result, we have made some positive changes to our check-in process, as well as how the site operates.

Internet

Access to unlimited WiFi is included in your stay. Your internet will be provided by either ASK4 or Glide. Please search for this WiFi network, connect and wait for a pop-up screen to appear which will ask you to create an account for your stay. Once completed, this will give you full access.

For any connectivity issues, please contact the internet provider:

ASK4: **+44 (0) 114 303 3232**

Glide: **+44 (0) 333 123 0115**

Security

There is 24 hour security here at The Neighbourhood Exeter.

Mail

There are post boxes on-site where mail is delivered. Please ask one of our friendly team at the reception desk for where these are located.

Any larger mail/parcels will be stored in the parcel room. If your parcels need signing for, a member of the team will be happy to do this.

Cycle Store

Cycling is a great way to exercise and a cheap and enjoyable way to explore. You can bring your bicycle to The Neighbourhood Exeter.

Be considerate about noise

Not everyone shares your taste in music, and even if your whole flat loves your latest download, the person downstairs might not appreciate a thumping ceiling. Try to keep noise to a minimum – if you can hear your music outside of your room, then the chances are that everyone else can too.

Try to be quiet coming in and out of your flat as well, especially at night when others might be sleeping. Remember that all doors in building are fire doors – so if you don't close them quietly, they will close themselves with a loud thud!

Your Guests

Overnight guests are allowed in your room for a maximum of two consecutive nights.

Similarly, your kitchen is designed for the number of people living in your flat, so although it's OK to invite friends over for lunch or dinner now and again, you should be careful not to inconvenience your flatmates. The behaviour of any person you invite into your building, apartment or room is ultimately your responsibility. You'll be held accountable if there are any complaints from your flatmates, or any damages caused by your guest(s), so make sure they behave as well as you do!

We Can Fix It

Can't find your keys? Got a leaky tap? Whatever you need, we're here to help.

Lost your key card or locked yourself out?

These things happen, so don't worry. We can help; if you lose your key card, we can replace it for a small fee. You just need to request a replacement from the accommodation reception.

If it is out of office hours, and our team are not at reception, you can call the main reception number and our on-site security team will let you in. We will then arrange the replacement key for you.

Key cards are important to keep hold of, and costly to replace. Please keep them safe and remember where you left them.

Got a maintenance issue?

Things wear out and things get broken, it's a part of life. If something needs sorting out, simply pop to reception or call the accommodation team to report it.

The repair will be carried out in accordance with an agreed schedule of priorities. A time will be arranged for our maintenance team to come and fix things. They will always knock before entering a bedroom. Rest assured, the problem will be solved quickly and efficiently.

Need an emergency repair?

If you have an emergency maintenance issue, such as a burst pipe or a broken window, and it's outside of maintenance staff working hours, you can report it to our on-site security team. They'll immediately contact the appropriate person to rectify the problem.

If you have a non-emergency maintenance issue, such as a defective fridge/freezer, a blocked drain etc, please hang on and report this to the accommodation office during office hours. These types of issues will be dealt with during the usual maintenance staff working hours.
