We can fix it

Can't find your keys? Got a leaky tap? Whatever you need, we're here to help.

Lost your keys or locked yourself out?

These things happen, so don't worry. We can help: if you lose your key card, we can replace it for a small fee. You just need to request a replacement from the accommodation office during office hours.

If you lose your key card outside of office hours, you'll need to call our out-of-hours service to arrange a student warden to let you in. You will need to show them some ID and there will be a call out fee for this service. Once you're safely back inside, come to the accommodation office during opening hours to pay and collect a new key card.

If you've locked yourself out of your room during office hours, pop along to the accommodation office and we will provide you with a replacement key card, (there will be a small fee charged for replacement key cards).

Keys are important and costly to replace, so keep them safe and remember where you left them.

Got a maintenance issue?

Things wear out and things get broken. It's part of life. But we want you to feel your smart Collegiate accommodation is always in tiptop condition, so that you can be proud of your home.

If something needs sorting out, simply tell the accommodation office and the repair will be carried out in accordance with an agreed schedule of priorities. A time will be arranged for our maintenance team to come and fix things. They will always knock before entering a bedroom and if you're not home, they'll leave a card to let you know if they've been into your room. Rest assured, the problem will be solved quickly, conveniently and efficiently.

Need an emergency repair?

If you have an emergency maintenance issue, such as a burst pipe or a broken window, and it's outside of maintenance staff working hours, you can report it to our out-of-hours service on 03333 214 064 and they'll immediately contact the appropriate person to rectify the problem.

If you have a non-emergency maintenance issue, such as a defective fridge/freezer, a blocked drain and so on, please hang on and report this to the accommodation office during office hours. These types of issues will be dealt with during the usual maintenance staff working hours.

Your rent

For those students paying in instalments, your payment dates are:

1st Instalment due on or before 28th August 2019

(you should have already paid this if you have moved in)

2nd Instalment due on or before 1st January 2020

3rd Instalment due on or before 6th May 2020

These can also be found on page 4 of your tenancy agreement.

Please note that we don't accept cash.

Remember: if you have chosen to pay by repeat card transaction, please ensure that you have sufficient funds available in your account at least one working day prior to the rent due date.

Arriving in a new country

Opening a bank account

You need to be in the UK in order to open a UK bank account, so make sure it's one of the first things you do once you get to London. It is the safest way to manage your money.

Opening a bank account can take a week or more, so make sure you've got enough cash for your first few weeks here.

To open a bank account you'll need to check individual bank requirements. Most will want to see your passport and introductory documentation from your university detailing your personal details and course of study.

Once your account's open, speak to your university or go to www.moneyadviceservice.org.uk for advice on budgeting and managing your money. The British Bankers' Association have a handy guide for international students. Check it out at: www.bba.org.uk/publications/entry/international-students/leaflets

Student Travel Reduction Cards

Want to see more of the UK during your university days? A 16-25 Railcard and/or a Coach Card can save you a considerable amount if you explore by train or coach.

The 16-25 Railcard costs £30 for one year or £70 for three years, and gives you a third off your rail travel in the UK. To get this you will need proof you are a student, your passport and a passport-size photo. The card can be purchased at any train station ticket office. For further information see: www.16-25railcard.co.uk

The Young Persons Coach Card can be bought at National Express coach offices or online. This card costs £10 for a year or £25 for three years and gives you 30% off all coach travel in the UK. To get one you simply need proof that you are a student. For further information see: www.nationalexpress.com/waystosave/young-persons-coachcard.aspx

Mobile phones

Mobile phones are cheap to buy, but expensive to use, so be careful not to accidentally run up a big bill by spending hours on the phone to another country.

If you choose a contract, the phone will be cheap or free, but make sure you check the monthly payment and call charges before signing and remember that there's often a compulsory monthly charge. You will need an enrolment letter from your university to take out a phone contract.

Pay-as-you-go is the no-contract, no credit check, no-commitment, no-monthly bills way to get a mobile phone.

However, you always pay a lot more to buy the initial phone and calls are generally more expensive than on contract mobile phones. On the plus side, you don't need to provide a proof of enrolment letter from your university. For information on mobile phone companies and to see prices see: www.mobiles.co.uk.

Internet

Broadband and Wi-Fi is available throughout the building, 24 hours a day, so you can stay connected at all times. Wired connections are available via an Ethernet cable connected to the wall socket in your room – simply open your web browser and follow the instructions.

For wireless connections, search for “Glide”.

You can enjoy impressive speeds of up to 32Mb/s over wired connections and up to 10Mb/s over Wi-Fi connections.

We recommend using the wired connection if you want to watch digital TV. The internet service allows you to watch over 50 digital Freeview TV and radio channels through your device via the internet.

And if that’s still not enough connectivity for you, upgrade options are available, up to 100Mb/s. Speak to a member of the helpful accommodation team for more info.

Your local amenities at a glance

The local area includes all of the following, which should cover most of your daily needs:

- Convenience stores
- Tesco Express
- ATM machine
- Takeaway food outlets

Your apartment

TV

If you've brought your own TV, just connect it to the TV aerial point in your bedroom, but please note that you are responsible for purchasing your own TV licence. This can be paid for weekly, monthly or yearly, by going online to: www.tvlicensing.co.uk

Heating

All apartments are supplied with electric heating to keep you toasty warm.

Electric Oven

Studios and en-suites have an electric oven.

Electric hob

To use the electric hob, check that the main isolator switch (the big red switch on the wall above) and the timer switch are both turned on. You need to press the red button before the hob can be turned on, use the four dials controlling each of the hob rings.

The timer will allow you to use the hob for 20 minutes before it automatically turns off.

The cooking extractor fan

The extractor hood should always be used when cooking to help prevent smoke and steam from activating the fire alarm. The hood has a light and three speed settings, which can be selected by pressing the buttons on the top. In addition, a ceiling fan above the kitchen area provides fresh air into the flat, so use that when cooking, as well as the boost switch to extract any fumes

What to do if your electricity goes off or a fuse goes in your room

If your electricity goes off, check the trip switches in your fuse box, located in your studio or apartment.

If any of the switches are in the 'off' position, reset them by simply turning them back on. If a bulb has blown, the electricity will come back on but the light will remain out. Please inform reception, who will arrange to have the bulb changed.

If the electricity does not turn back on, it could be due to a faulty electrical item such as a hairdryer or toaster, so try unplugging any electrical items you were using when the electricity went off. If you cannot identify a faulty appliance, or the trip switch will not re-set, please report this fault to the office as soon as possible or contact the warden on the emergency number provided if it's before or after office hours.

How to use the shower

Hot water is available 24 hours a day, 7 days a week.

The shower is controlled by two dials, one on either end of the control bar. The far right dial turns the shower on/off and controls the water pressure. The left hand dial adjusts the water temperature. A safety button on the control bar stops the hot water from being accidentally turned up too high. If you want hotter water, simply press and hold down this button whilst turning the temperature control.

Windows

Every window has a restrictor on it. If you are on the ground floor, this is to ensure that no one can enter your apartment when the window is open. If you are higher up, the restrictor is in place for your own safety, so you can't fall out of an open window.

Storage

Storage space for bags and suitcases can be found in the draws under the bed so you can keep your room lovely and neat.

Room cleaning

Hoovers, mops and buckets as well as iron and iron boards can be borrowed from reception.

Refuse bins

The bin store can be found next to cycle store opposite reception. All rubbish must be put inside the bins on-site, not next to or in front of the bins, and not in street bins.

General waste bins and recycling bins for paper/ card and bottles are clearly labeled.

Black bin bags are not allowed in the recycling bins. Cardboard boxes must be made small before you put them in the recycling bins; otherwise they take up too much space.

What to do if you still need help

If you have any queries regarding your room or wish to report a maintenance issue, please visit reception Monday to Friday between 9am and 5pm. If you have a serious emergency (when the safety of you or your fellow residents is at risk or a serious maintenance issue such as a water leak, no electricity, or a broken window, has occurred) then you can call our 24/7 out-of-hours emergency line and further assistance will be provided. The out of hours emergency telephone number is 03333 214 064.

Top tips for getting on with your fellow residents

We want to ensure that everyone enjoys their time at Charles Morton Court, so we ask everyone to stick to a few simple guidelines.

Respect each other's space

The kitchen is your most important communal area and everyone in your flat should feel comfortable using it. Wash up and wipe up after yourself to keep the cooking area, sink and dining area clean and clear for your flatmates – leave it as you would like to find it. Remember that the kitchen is for you and your flatmates only, so guests should be occasional.

Smoking is strictly not allowed anywhere in the building.

Be considerate about noise

Not everyone shares your taste in music, and even if your whole flat loves your latest download, the person downstairs trying to study might not appreciate a thumping ceiling. Try to keep noise to a minimum - if you can hear your music outside of your room, then the chances are that everyone else can too.

Try to be quiet coming in and out of your flat as well, especially at night when others might be sleeping. Remember that all doors in the building are fire doors - so if you don't close them quietly, they will close themselves with a loud thud!

Handling anti-social behaviour

If other residents are behaving in ways that cause you concern, then in most cases the most effective way in dealing with the problem is to speak to them yourself, perhaps with others who are affected. If you don't find this helps, then you should speak to an on-site student warden to see whether they have any advice on the situation. You can also speak to any member of the team at the accommodation office to take the matter further.

Accommodation office: 020 8912 5909 / Out-of-hours emergency contact: 03333 214 064

If it's anti-social behaviour that you believe warrants police action then please call the police when the incident occurs.

Non-emergency police number: 101 / Emergency police number: 999

Your guests

Overnight guests are allowed in your room for a maximum of three consecutive nights, but remember if you are in a shared apartment, it is polite to ask your flatmates before inviting people to stay.

Similarly, your kitchen is designed for the number of people living in your flat, so although it's OK to invite friends over for lunch or dinner now and again, you should be careful not to inconvenience your flatmates.

The behaviour of any person you invite into your building, apartment or room is ultimately your responsibility. You'll be held accountable if there are any complaints from your flatmates, or any damages caused by your guest(s), so make sure they behave as well as you do!

Staying safe and secure

We're here for you

We want you to enjoy living at Charles Morton Court to the full. We don't just provide first-class accommodation but also a first-class service. Our experienced on site accommodation team is here to offer all the support you need – and a member of the team is available 24-hours a day.

It's good to share

If university life isn't everything you hoped and you are feeling unhappy, don't let it get on top of you – talk to a member of our team. We are always happy to help and work in partnership with your university's pastoral care team to ensure you know how to get help and advice when you need it, so that you can get the most out of your time at uni.

Good health

If you're feeling unwell you can get an appointment with a doctor or nurse at the university's health centre. For out-of-hours health advice, you can call the NHS on 111 – but always get advice in person from a medical professional if anything persists or if you're worried.

Health care in the UK

Non-emergency healthcare matters are dealt with by doctors known as General Practitioners (GPs), in local surgeries. You need to register with a doctor before you are treated, so do this within the first week of your arrival in London. You can register with a GP by going to the doctor's surgery and filling out a form. Names and addresses of doctors can be obtained from: www.nhs.uk

You do not pay to register with or to consult with an NHS doctor.

Keeping yourself and your flatmates safe

Follow these simple tips to ensure that you, your flatmates and your belongings are kept safe and sound.

Close your windows and lock your doors when you go out. Make sure that the door to the building and the door to your flat and study bedroom are kept locked at all times – even when you're in. When you're out, keep your bedroom door locked to protect your possessions.

Never tamper with, cover, or move any fire safety equipment. Doing so puts yourself and others at risk. Anyone caught doing this will face eviction, so don't stand by and let others do things that put you at risk if you see someone else interfering with fire safety equipment.

Make sure you know what to do in case of fire and that you comply with any other health and safety regulations.

General Safety

Keep the main entrance doors locked at all times and do not prop them open.

Be aware of any strangers on the premises. It will take a while for you to recognise all tenants in the building, but if someone is acting suspiciously, let the accommodation team know. If it's out of office hours, call out-of-hours security (on 03333 214 064) or the police.

If your room is at ground level, do not leave your window open when you're not there, always make sure that you put any valuables out of sight and close your venetian blinds so that people can't see in.

Always carry your keycard with you and never pass it to anyone else.

If you're worried about your safety or any security on site, please speak with a member of the accommodation team during office hours, or call the emergency out-of-hours contact on 03333 214 064 or the police.

Be aware of tailgating. If you feel that a person is tailgating you in order to access an area where you believe they should not be, please call the Office or the Warden.

9am - 5pm Office – 0208 912 5909

Fire safety

It's vital that you know how to prevent fire and what to do if one happens. Please refer to the fire evacuation procedure notice located on notice boards in Charles Morton Court.

1. Know your escape route – it is shown on the fire evacuation procedure notice.

When you arrive in your new room make sure you know where the nearest fire exit is. Read the fire notices dotted around the building so that you know your escape route from other areas as well.

Make sure you know where the evacuation assembly point is – details of this are located in your room and also in reception.

Make sure you know where the fire extinguishers are and how to use them – instructions are on the fire notices around the building. Only use them if you are competent and confident. In all cases follow your on-site evacuation procedure.

The assembly point is on Lidfield Road opposite the property.

2. Keep access and fire exits clear

If you notice any obstruction to fire exits, please let a member of the team know. Bicycles must not be kept in your room or in the way of an escape route.

3. Know what to do if a fire alarm sounds

Refer to your evacuation procedure. Do not use the lifts.

Make your way to the evacuation assembly point – location details are displayed clearly in your room and at reception.

If you have left the building, do not attempt to re-enter until a member of the team or fire brigade has given you permission to do so.

Fire alarm

The fire alarm system is tested on a weekly basis. Test alarms last no longer than ten seconds. If the alarm lasts beyond this time, please carry out your evacuation plan.

General fire prevention

If the fire alarm activates then you **MUST** evacuate the building regardless of time of day. You **MUST** go immediately to the fire evacuation assembly point.

Do not misuse any fire fighting/prevention equipment, this equipment is there for your safety and the safety of others in the building. It is essential that it is always in full working order. The equipment in your apartment will be checked once a week by the accommodation team.

Please do not tamper with any smoke detectors. In the event of tamper, you will have to pay for an engineer to ensure that it is still in full working order. It can cost £250 or more for a call out.

Do not bring furniture into your room or kitchen that has not been pre-approved by the accommodation team. This is to ensure that it complies with Health and Safety standards.

Do not prop open fire doors.

There is no smoking in any part of the building. Please do not smoke next to the front entrance where people regularly walk past or next to someone's window. Always put your cigarette ends in the bins provided.

Do not let combustible waste build up in your bedroom or kitchen. The following items are not permitted due to being a fire hazard:

- Chip pans
- Deep fat fryers
- Halogen lights
- Candles and oil burners
- Fireworks
- Barbeques
- Incense burners
- Other naked flames

Good housekeeping

Clean living

Your kitchen

We will be doing weekly kitchen inspections to ensure that the kitchen cleanliness is kept to a good standard. If your kitchen fails the inspection, we will have the kitchen professionally cleaned and a cleaning fee of £100 will be charged to the flat; this fee will be equally divided by the number of people living in the flat and posted on their account.

If you share a kitchen, it's everybody's responsibility to keep it clean – and everybody's responsibility if you're issued a charge for lack of cleanliness. You can divide up the cleaning tasks or take turns on different days – whatever you find works best for you and those you share it with.

Your room

It's up to you to keep your room and bathroom clean. Our regular checks are to ensure that they meet our health and safety standards. If they fall below standard, you'll have 24 hours to clean them up or risk a charge.

Please remember:

- Please don't use abrasive cleaning products.
- Please don't put up posters or pictures other than on your notice board. Absolutely nothing is allowed on the walls, not even BlueTak.
- Foreign adapters, plugs and extension leads are not allowed in your bedroom and kitchen as these can blow the fuses. We will have to remove any items with foreign plugs from your bedroom and kitchen and will return these at the end of your tenancy.

Your bathroom

Descalcify your showerhead every few months to keep your shower working to the best of its ability.

Please don't use hair or clothes dye in the bathroom.

Green living

We can all do more to make the planet a greener place, starting with how we behave in the home. Please help us make Charles Morton Court a greener place by ensuring we're more energy efficient around the development.

Lights – always switch off if you're not using a room.

Recycle – recycle as many waste items as you can, such as glass, plastics and cardboard, by using the recycling bins on site.

Heating – do not leave the heating on AND your window open at the same time.

Be a user – Freecycle groups match people who have things they want to get rid of with people who can use them. Find your nearest freecycle group at: www.uk.freecycle.org

Book swap – you can re-use other people's textbooks and let them use yours for free on sites like: www.PaperBackSwap.com. All you have to pay for is shipping. You can also buy second hand books from Amazon: www.amazon.co.uk.

Water – turn off the tap while brushing your teeth to conserve water. And when boiling a kettle, save electricity and water by never boiling more water than you need.

Reuse paper – before you throw away that page you printed by mistake or that paper covered in editing marks, how about using the other side to take notes in class, or chop it up to use as shopping lists and reminder notes?

Turn off your computer – reduce your energy consumption by turning off your computer when you're not using it.

Be thrifty – instead of buying an expensive new outfit or gadget, you can save some cash and help out the environment by shopping at a local charity store. Charity store shopping is another form of recycling – you reduce the energy used by factories to make new items, as well as picking up some great, vintage bargains for your wardrobe.

Spend less time in the shower – cut down your shower time by just two minutes to save water and electricity. It also means you can enjoy an extra two minutes in bed every morning!

Go paperless – save trees by going online and changing your bank account and any credit cards to paperless billing.

Reuse your bags – avoid plastic bags by purchasing a couple of reusable shopping bags. They can be used for everything, from food shopping to carrying your lunch, books or even a laptop.

Recycle your old mobile phone – earn cashback when you upgrade your phone by visiting: www.moneysavingexpert.com/phones/mobile-recycling

Consolidate your hair care products – buy 2-in-1 shampoo and conditioner to halve your hair product waste.

Wash clothes at a cooler temperature – modern washing powder means that 30 degrees should be plenty warm enough for your clothes. You'll save electricity and your clothes will last longer due to the reduced heat damage that they suffer.

Your contract

Your contract with us is legally binding so please make sure you're clear on its terms and conditions. Here's an overview of some of the key facts:

You are bound to the full contract period – if you leave before the contract ends you will not receive a reduction in rent.

The Collegiate AC team may need access to your room for room inspections, maintenance and repairs, as well as for showing prospective students around during open days. We'll always give you at least 24 hours' notice (unless it is impractical to do so).

You must pay your accommodation fees on the due dates stated on your contract – outstanding debts will eventually be passed on to an external debt collecting agency.

If you decide to transfer to another room, exchange rooms or leave Charles Morton Court, you will be charged an admin fee of £50.

Collegiate AC does not accept liability for the loss or damage to any resident's property, whatever the circumstance. Contents insurance with Endsleigh (www.endsleigh.co.uk) is included in your rent. Please refer to your Endsleigh leaflet for upgrade options.

If you're unsure of your full legal obligations, please double-check your contract agreement and let us know if you have any queries.

Moving out

Changing rooms

We want to ensure you are 100% happy during your stay with us, so if for any reason you're unhappy with your room, you can apply to change it at the accommodation office. Please bear in mind that during the first few weeks of term, almost all of our rooms are occupied or allocated to students, so a room change in the first two weeks might prove tricky. Instead, bear with us and try to settle in and get to know your new flatmates and home.

We've found that most students settle in within the first few weeks, make friends and then don't want to move, but if you really feel you would like to change rooms, let the accommodation team know and we'll do our best to find you a more suitable room as soon as we can.

We charge an admin fee of £50 for a room change, including the drawing up of a new contract.

Moving out at the end of your tenancy

We are always sad to see our residents leave, but we know that all tenancies have to end at some point.

As a condition of your contract, you'll need to book and meet a member of the team for a check-out inspection. There are a few requirements for your last day:

- Your room needs to be clear of all belongings by 12 noon
- Please return all keys to reception
- Please make sure your room and en-suite are clean before you leave

Protecting your personal information

Complaints handling and appeals

Complaints will be subject to the ANUK complaint procedure and subject to independent appeal and referral up to the ANUK committee on standards to ensure we have an open, fair and transparent process. We would also notify any affiliated University in our monthly written reports and deal with any major complaints through our routine daily and weekly liaison.

Collegiate AC Ltd Complaints Procedure

Collegiate AC Ltd is responsive to the needs of our students and visitors and welcomes comments and complaints as a means of improving services. We won't necessarily be able to change the things in the way that you would like or always meet your needs but we will always be able to give you an explanation of how a decision has been made. Collegiate AC Ltd will always be professional and courteous in dealing with complaints and we will try to be as quick as we can in responding to you.

Collegiate AC Ltd is a large community and it is inevitable that from time to time complaints arise. This procedure explains:

- How to make a complaint
- How you can expect us to deal with it
- What you can do if you are unhappy with our response

Informal

If you have a complaint, in the first instance please discuss this with a member of the accommodation team in person or with the Collegiate AC Ltd central management team to try and resolve the matter swiftly. If you do have a complaint you should let us know as soon as possible and within eight weeks of the event or lack of action, about which you are complaining. Your complaint will normally be acknowledged within 48 hours (excluding weekends, public holidays and official University holidays) and responded to fully within five working days of the receipt of the complaint. If circumstances mean a full response is likely to take longer we will inform you and keep you informed of the process.

Formal

Stage 1

If you are unhappy about a response you receive, or the complaint is actually about the member of staff involved or if you feel that the complaint warrants further investigation then you may initiate a formal complaint. To do this you should email the Collegiate AC Ltd team who will normally acknowledge receipt within 48 hours (excluding weekends, public holidays and official University holidays). The complaint will be passed to our Director of Residences who will determine whether a manager for the area in which your complaint falls should deal with the complaint or whether a member of the senior management team should more appropriately investigate the complaint.

Stage 2

If you are unhappy with the response received at Stage 1 then you may appeal to the Director of Residences stating the reason why you are unhappy with the initial response. You will receive an acknowledgement within 48 hours (excluding weekends and holidays) from receipt of the appeal and a full written response within 10 working days. If you are still not happy with the response you have the right to ask for your complaint to be taken to Review.

Review

If, once a final decision on the complaint has been given you believe that the complaint has not been handled fairly or properly in accordance with this procedure, you can request a review by writing to the Director of Residences within ten working days of you receiving your written response. You will need to state why you are unhappy with the outcome and include copies of any correspondence exchanged during the earlier stages. You will receive an acknowledgement of your request within five working days.

The Registrar, or his or her delegated representative, will then review the case based on the documentation provided and will notify you of their decision within twenty working days of receipt of the request for the review. We will make every effort to follow the time limits set out in our procedure. However, where, for good reason, this is not possible we will keep you informed of progress.

Confidentiality

All complaints will be dealt with confidentially though enquiries may have to be made to investigate the matters that are the subject of the complaint. The effectiveness of any complaints procedure depends on Collegiate being able to collect appropriate information from the parties involved in order to investigate the matter properly. For this reason, anonymous complaints will not be dealt with.

Harassment

Collegiate AC Ltd seeks to create a residential environment which is free of harassment and which protects the dignity of students and staff irrespective of their gender, sexual orientation, racial or ethnic background, religion or disabled status. It regards sexual, racial or personal harassment very seriously and requires all students and staff to observe its policy in this area.

Students who believe they are experiencing harassment within their accommodation are advised to raise this with their warden in the first instance. You can also contact the Equality and Diversity Office, or the Students Union Advice Centre.

External Referral

Collegiate AC Ltd is registered to comply with the regulations set by the ANUK code of practice for larger student developments. If you believe that Collegiate AC Ltd has not dealt with your case properly, or that the outcome is unreasonable then you can, provided you have completed all of our internal procedures, complain to the ANUK Code directly.

Please note...

This information does not cover every aspect of your contractual obligations, and as a resident you are legally bound to the terms set out in your signed tenancy agreement.

Equality and diversity

Collegiate – committed to equal opportunities

Managers of Collegiate's premises will ensure that all accommodation allocation procedures comply with applicable equal opportunities policies.
