

STAY FOR FREE

Your invitation to 'try before you buy'
at The Neighbourhood Cardiff.

Dear Student,

We would like to invite you, and a family member or friend, to come and stay at The Neighbourhood Cardiff for free, for one or two nights, as we truly think we have the best student accommodation in the city!

THE NEIGHBOURHOOD
CARDIFF

Boasting super-safe self-contained studios, spacious sharing apartments and air-conditioned penthouses, complete with everything you would expect like super-fast wi-fi, deluxe double bedrooms, fully fitted 5-star kitchens and NY style bathrooms.

We think of The Neighbourhood as more like a boutique hotel as we only have 240 rooms available, which gives all our residents more space and better access to our free facilities.

We have a range of fantastic free facilities including gyms, cinemas, private dining rooms and kitchens, karaoke, study spaces, bikes, free breakfasts and of course all your bills are included too.

LIVE. STUDY. ENJOY.

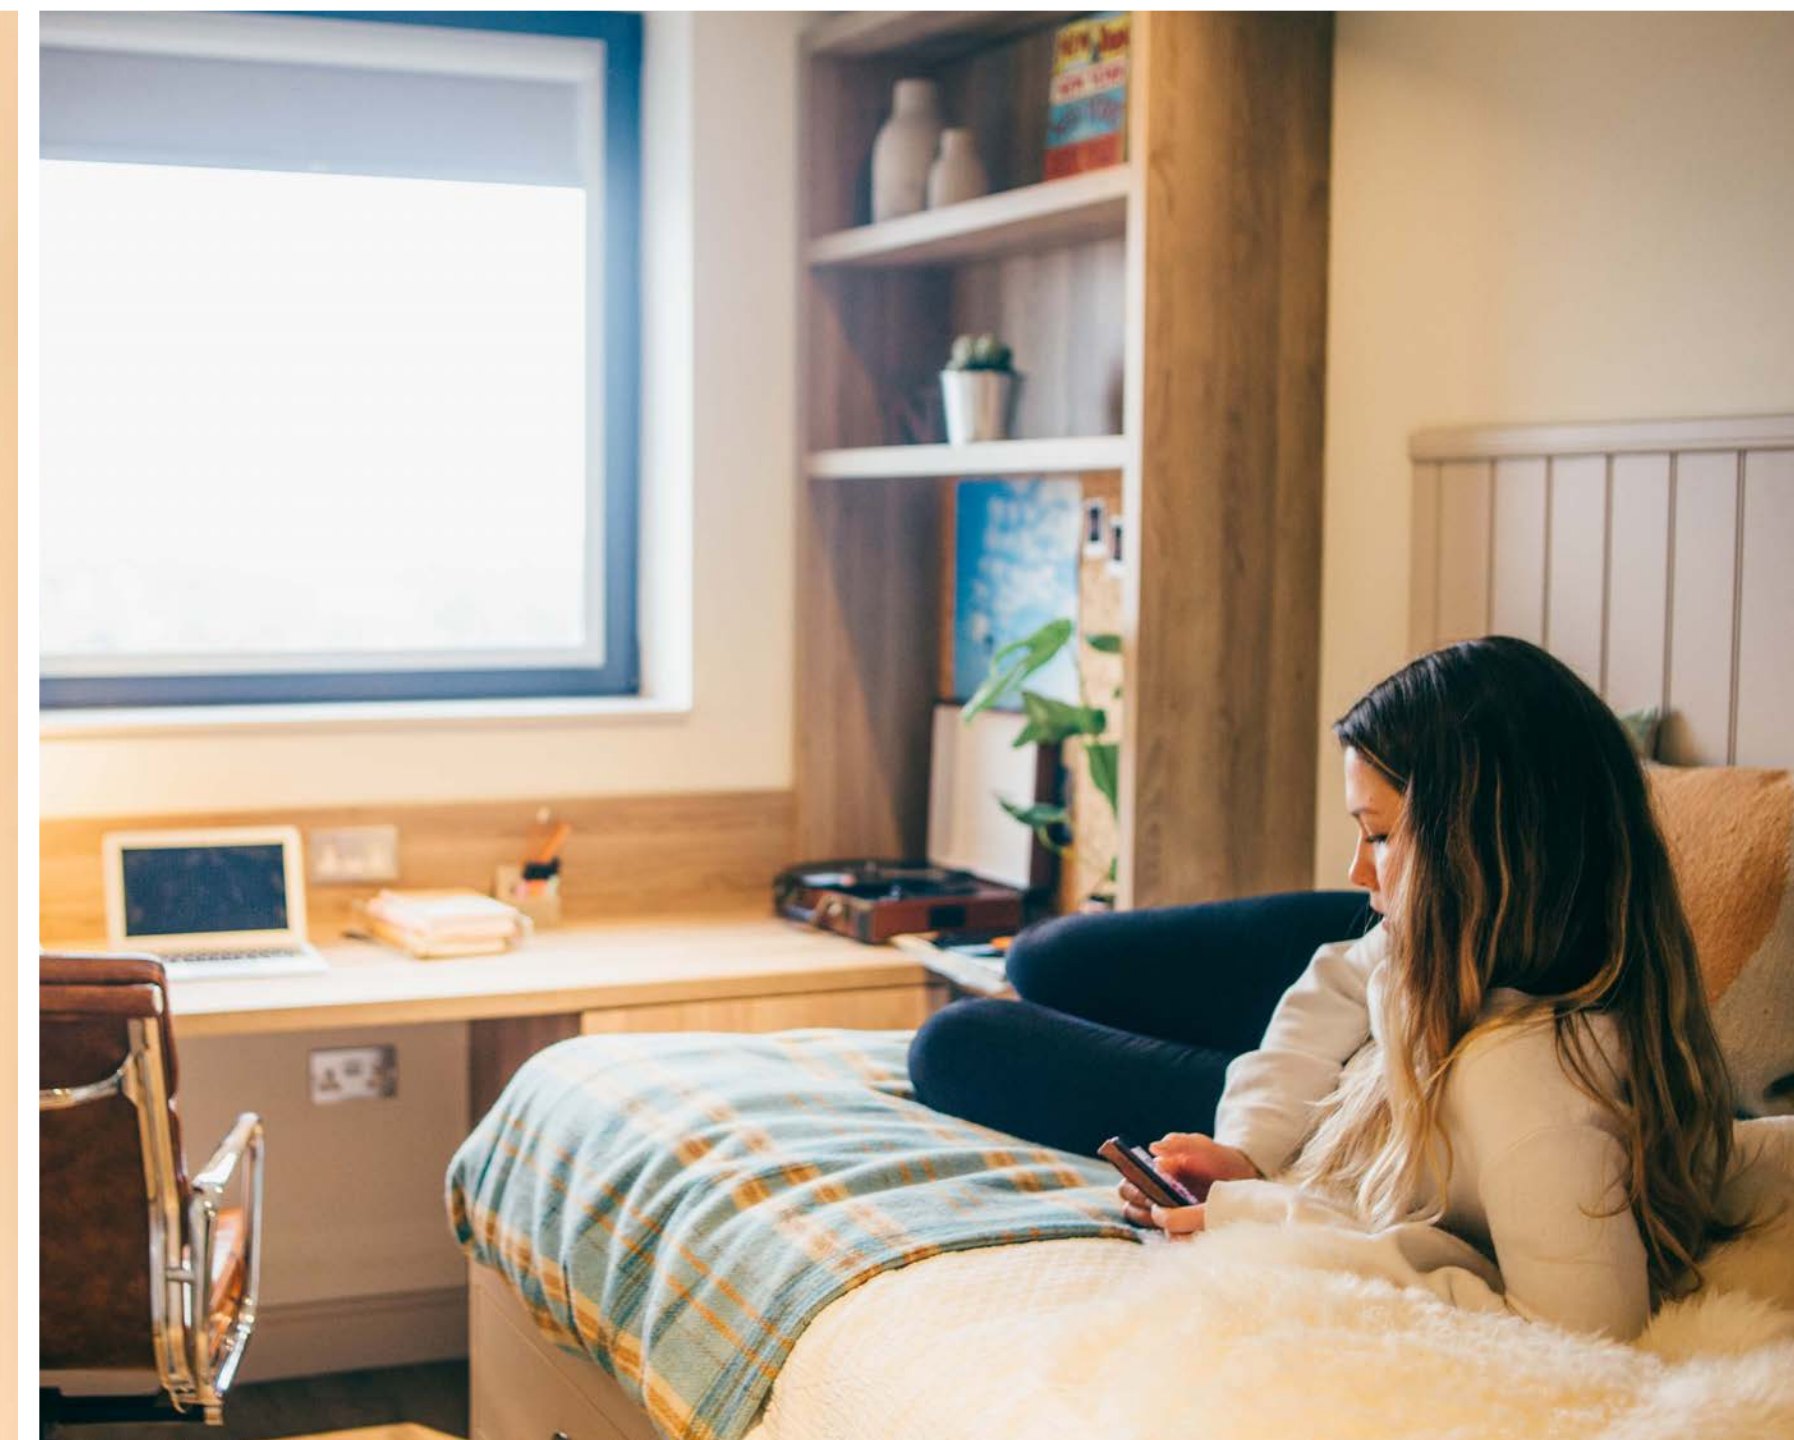

We have a sunny courtyard to chill out in which is on the same leafy road as Cardiff University's School of Engineering and the Wales International Academy of Voice.

We are only a 5-minute taxi ride from Cardiff station, in walking distance of Cardiff University, a short ride to Cardiff Metropolitan University and moments from all the city centre's amazing amenities.

Come and experience our award-winning accommodation, spotless design, superb social spaces, free facilities and check out our commitment to health & safety. We'd also love you to meet our welcome team – Amy, Kelly and Andy - who will do everything they can to make your stay the very best it can be.
