## *Welcome to Collegiate Water Lane Apartments for the 2020-21 academic year*

Hi!

We are really looking forward to welcoming you to Collegiate Water Lane Apartments in a few weeks, and just to ensure you have all the information you need before you move in, we have put together some helpful guidelines.

Move in week will start from the first day of your contract for 7 days. You will be able to book a time slot on the online portal, and you will be given information on how to do this by email. If you need to move outside these dates or outside the time slots available, please contact our residence team directly to arrange your arrival.

Please ensure you bring some photo ID with you when you arrive (a passport or driving licence will be perfect).

# Travelling

If you need advice on how to get to your accommodation, or help with the closest car park then please contact [wa@collegiate-ac.com](mailto:wa@collegiate-ac.com) and the accommodation team will be able to help.

## *Car parking*

Collegiate Water Lane Apartments has a small car park which will be used for drop offs only during check in weekend. Should you wish to use the car park to unload, you will need to collect a permit from the office before hand.

We cannot guarantee spaces will be available throughout out the day, especially during busy periods. Parking is also available at Temple Meads station which is approximately 5 minutes walk away.

We recommend that you park and then come to reception to check-in and collect your keys before bringing your luggage.
