Cycle Store

Cycling is a great way to exercise and a cheap and enjoyable way to explore. You can bring your bicycle to Bagot Street but you must bring a bike lock.

We offer bike storage but please note we can't take responsibility for any loss or damage to bicycles left in the storage area. If there is a problem, please notify the police and the accommodation team.

Be considerate about noise

Not everyone shares your taste in music, and even if your whole flat loves your latest download, the person downstairs might not appreciate a thumping ceiling. Try to keep noise to a minimum – if you can hear your music outside of your room, then the chances are that everyone else can too.

Try to be quiet coming in and out of your flat as well, especially at night when others might be sleeping. Remember that all doors in building are fire doors – so if you don't close them quietly, they will close themselves with a loud thud!

Your Guests

We want to ensure all residents and staff's safety and security, to maintain a comfortable living environment where everyone can thrive. Everyone should be respectful of others and their surroundings.

One guest is permitted to stay for up to 3 consecutive nights per week. Any overnight guest must sign in with the Accommodation Team and should not cause any nuisance or annoyance to anyone, as per your [Tenancy Agreement](#), Student Handbook and Collegiate UK online induction. Guests should always be accompanied by a resident. Additional consideration should be applied when using shared areas, to avoid inconveniencing other residents.

Please discuss any requests for multiple guests or longer stays with the onsite management team as this may not be suitable for certain areas or room types.

WE CAN FIX IT

Can't find your keys? Got a leaky tap? Whatever you need, we're here to help.

Lost your key or locked yourself out?

These things happen, so don't worry. We can help; if you lose your key card, we can replace it for a small fee. You just need to request a replacement from the accommodation reception.

If you are unable to access your room outside of normal working hours, please contact our security team. They will verify your identity and provide temporary access to your room. Please ensure you visit the accommodation team on the next working day to arrange a permanent replacement.

Keys are important to keep hold of, and costly to replace. Please keep them safe and remember where you left them.

Got a maintenance issue?

Things wear out and things get broken – it's a part of life. If something needs fixing, please report it through your online portal. This ensures the issue is logged correctly and can be prioritised by our maintenance team.

Repairs will be carried out based on an agreed schedule of priorities, and a suitable time will be arranged for our maintenance team to attend. They will always knock before entering a bedroom, and you can rest assured that the issue will be resolved as quickly and efficiently as possible.

Need an emergency repair?

If you have an emergency maintenance issue, such as a burst pipe or a broken window, and it's outside of maintenance staff working hours, you can report it to our on-site security team. They'll immediately contact the appropriate person to rectify the problem.

If you have a non-emergency maintenance issue, such as a defective fridge/freezer, a blocked drain etc, you can report to reception at any time, send us an email or give us a ring. These types of issues will be dealt with during the usual maintenance staff working hours.
