On the day of your arrival, you will be guided by your friendly site team to the check-in desk where you will be given your keys to check in to your room.

## What to bring

Your stay with us is based on 'room only' which means you will need to bring the following things with you for your stay as they are not included:

- Bedding
- Kitchen utensils, crockery & cutlery
- Towels
- Toiletries, including toilet roll

## Contents Insurance

We have partnered with Endsleigh, a company with almost 60 years' experience providing insurance and bespoke solutions to the education sector, and arranged contents insurance for all our students staying with us in our residence.

It is important that all students confirm their cover to ensure you understand what is and isn't insured. You can do this by downloading the MyEndsleigh app and registering.

Visit MyEndsleigh (<https://www.endsleigh.co.uk/student/confirm-your-student-cover/>) to view what is and isn't covered, get claims support, personalise your cover, access rewards and wellbeing support.

Quick Tip! if you are bringing a bicycle our contents insurance does not cover it, so be sure to add this to your cover if you want it protected.

## Our COVID-Secure Promise

Collegiate are committed to creating a safe and secure living environment and as a result, we have made some positive changes to our check-in process, as well as how the site operates.

**For any connectivity issues, please contact the internet provider:**

## Mail

There are post boxes on-site where mail is delivered. Please ask one of our friendly team at the reception desk for where these are located.

Any larger mail/parcels will be stored in the parcel room. You will receive a code via email from our provide Parcel Safe Place. You will need this code to collect your parcel. If your parcels need signing for, a member of the team will be happy to do this.

## Cycle Store

Cycling is a great way to exercise and a cheap and enjoyable way to explore. You can bring your bicycle to Bagot Street.

We offer bike lockers where you can store your bike but please note we can't take responsibility for any loss or damage to bicycles left in the storage area. If there is a problem, please notify the police and the accommodation team.

## **Be considerate about noise**

Not everyone shares your taste in music, and even if your whole flat loves your latest download, the person downstairs might not appreciate a thumping ceiling. Try to keep noise to a minimum – if you can hear your music outside of your room, then the chances are that everyone else can too.

Try to be quiet coming in and out of your flat as well, especially at night when others might be sleeping. Remember that all doors in building are fire doors – so if you don't close them quietly, they will close themselves with a loud thud!

## **Your Guests**

Overnight guests are allowed in your room for a maximum of two consecutive nights, and **MUST** sign in on arrival at reception via our online App.

Similarly, your kitchen is designed for the number of people living in your flat, so although it's OK to invite friends over for lunch or dinner now and again, you should be careful not to inconvenience your flatmates. The behaviour of any person you invite into your building, apartment or room is ultimately your responsibility. You'll be held accountable if there are any complaints from your flatmates, or any damages caused by your guest(s), so make sure they behave as well as you do!

# WE CAN FIX IT

Can't find your keys? Got a leaky tap? Whatever you need, we're here to help.

## **Lost your key card or locked yourself out?**

These things happen, so don't worry. We can help; if you lose your key card/fob/key, we can replace it for a small fee. You just need to request a replacement from the accommodation reception.

If it is out of office hours, and our team are not at reception, you can contact the security team designated to your block who will arrange the replacement key for you.

Block A, B & C – +44 (0) 7740 514 897

Block D & E – +44 (0) 7703 704 889

Key cards are important to keep hold of, and costly to replace. Please keep them safe and remember where you left them.

## **Got a maintenance issue?**

Things wear out and things get broken, it's a part of life. If something needs sorting out, simply pop to reception or call the accommodation team to report it.

The repair will be carried out in accordance with an agreed schedule of priorities. A time will be arranged for our maintenance team to come and fix things. They will always knock before entering a bedroom. Rest assured, the problem will be solved quickly and efficiently.

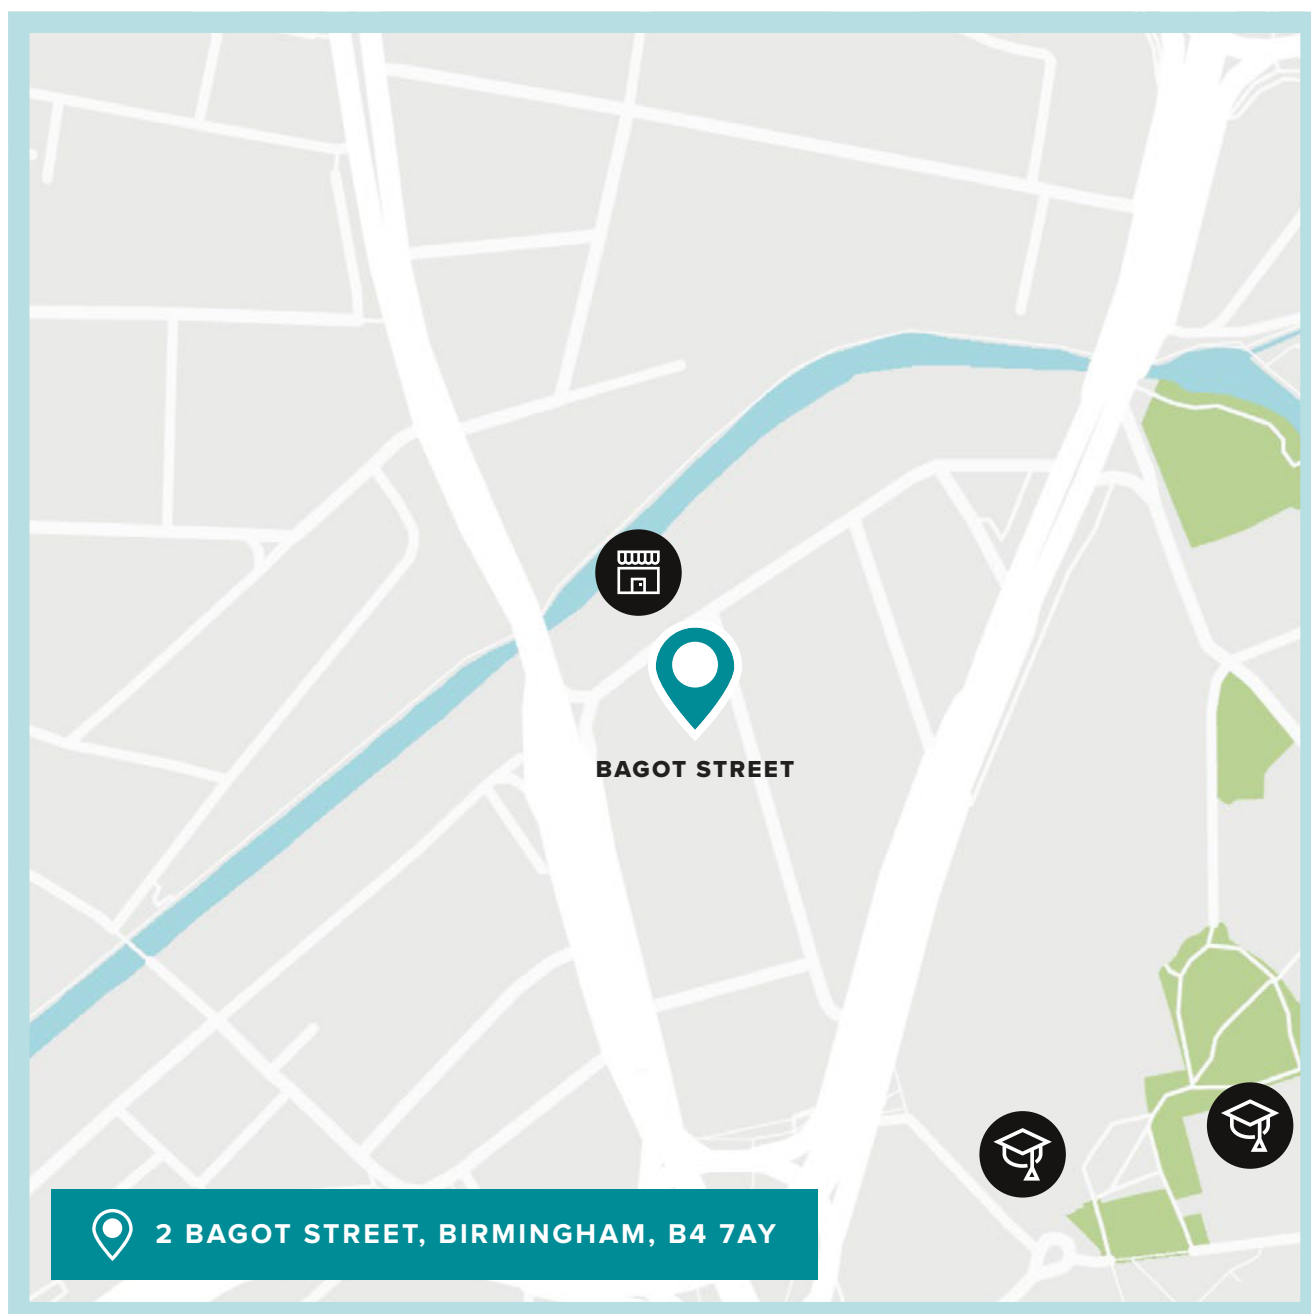

## **Need an emergency repair?**

If you have an emergency maintenance issue, such as a burst pipe or a broken window, and it's outside of maintenance staff working hours, you can report it to our out of hours team. They'll immediately contact the appropriate person to rectify the problem.

If you have a non-emergency maintenance issue, such as a defective fridge/freezer, a blocked drain etc, please hang on and report this to the accommodation office during office hours. These types of issues will be dealt with during the usual maintenance staff working hours.
