We can fix it

Can't find your keys? Got a leaky tap? Whatever you need, we're here to help.

Lost your keycard or locked yourself out?

These things happen, so don't worry. We can help; if you lose your keycard, we can replace it for a small fee. You just need to request a replacement from the accommodation reception.

If it is out of office hours, and our team are not at reception, you can contact the security team on 0789 061 3442 who will arrange the replacement key for you.

Keycards are important to keep hold of, and costly to replace. Please keep them safe and remember where you left them.

Got a maintenance issue?

Things wear out and things get broken, it's a part of life. We want you to feel your Collegiate accommodation is always in tiptop condition so that you can be proud of your home.

If something needs sorting out, simply pop to reception or call the accommodation team on 07890 613 442 to report it.

The repair will be carried out in accordance with an agreed schedule of priorities. A time will be arranged for our maintenance team to come and fix things. They will always knock before entering a bedroom. Rest assured, the problem will be solved quickly, conveniently and efficiently.

Need an emergency repair?

If you have an emergency maintenance issue, such as a burst pipe or a broken window, and it's outside of maintenance staff working hours, you can report it to our on-site security team. They'll immediately contact the appropriate person to rectify the problem.

If you have a non-emergency maintenance issue, such as a defective fridge/freezer, a blocked drain etc, please hang on and report this to the accommodation office during office hours. These types of issues will be dealt with during the usual maintenance staff working hours.

Arriving in a new country

Opening a bank account

You need to be in the UK in order to open a UK bank account, so make sure it's one of the first things you do once you get to Coventry. It is the safest way to manage your money.

Opening a bank account can take a week or more, so make sure you've got enough cash for your first few weeks here.

To open a bank account you'll need to check individual bank requirements. Most will want to see your passport and introductory documentation from your university detailing your personal details and course of study.

Once your account's open, speak to your university or go to www.moneyadvice.service.org.uk for advice on budgeting and managing your money.

Student Travel Reduction Cards

Want to see more of the UK during your university days? A 16-25 Railcard and/or a Coach Card can save you a considerable amount if you explore by train or coach.

The 16-25 Railcard costs £30 for one year or £70 for three years, and gives you a third off your rail travel in the UK. To get this you will need proof you are a student, your passport and a passport-size photo. The card can be purchased at any train station ticket office. For further information see: www.16-25railcard.co.uk

The Young Persons Coach Card can be bought at National Express coach offices or online. This card costs £12.50 for a year or £30 for three years and gives you 30% off all coach travel in the UK. To get one you simply need proof that you are a student. For further information see: www.nationalexpress.com/en/offers/coachcards/young-person

Mobile phones

Mobile phones are cheap to buy, but expensive to use, so be careful not to accidentally run up a big bill by spending hours on the phone to another country.

If you choose a contract, the phone will be cheap or free, but make sure you check the monthly payment and call charges before signing and remember that there's often a compulsory monthly charge. You will need an enrolment letter from your university to take out a phone contract.

Pay-as-you-go is the no-contract, no credit check, no-commitment, no-monthly bills way to get a mobile phone. However, you always pay a lot more to buy the initial phone and calls are generally more expensive than on contract mobile phones. On the plus side, you don't need to provide a proof of enrolment letter from your university.

For information on mobile phone companies and to see prices see: www.mobiles.co.uk

Coventry is a wonderful city to explore, and your new home at Burges House is ideally located for you.

Coventry is full of beautiful parks and fascinating museums and music venues ensuring that there is something for everyone, as well as modern shopping streets and a great restaurant scene.

It's a busy and vibrant city and a richly diverse mix of entertainment options for those for those who live there.

We want you to enjoy your time at uni to the full and to look back at it fondly when the time comes to move on.

The gym

A simple swipe of your keycard gains you access to one of the best features here at Burges House - a private gym available exclusively to our residents.

Packed with the latest exercise equipment, the gym allows you to flex those muscles and burn off calories with minimum fuss, with all the convenience of it being literally on your doorstep.

Fancy a run? Work off those pounds on the treadmill. Want to go even faster? Then hop onto the exercise bike. Or if yoga is more your thing then just speak to a member of the management team, who can help you set up a class.

When working out in the gym, please consider other users and respect their personal space. Stick to one station at a time, use earphones if you have music on and wipe down each station when you're done.

The gym is covered by CCTV at all times but please remember that when working out your safety is your responsibility.

The gym is open from 07:00 - 22:00. Please note, the management team reserve the right to close the facility at any time if the need arises.

Study Rooms

Your room comes complete with a desk area for hitting the books in privacy, but if you fancy a change of scene then why not catch up with your fellow residents in the on-site study rooms to discuss ideas, compare notes and work through any challenging assignments. These spaces are available 24/7, so you can study with your friends any time of day or night.

Please remember that others might like to work quietly while you are using these spaces, so be aware and respectful of others while you are using the facilities. Please also do your bit for the planet and ensure everything is switched off when you finish and leave the room clean and tidy. If you have problems with any of the equipment, please let the accommodation team know as soon as possible and we will sort it. Please be considerate when using the cinema room and ensure the equipment is not misused or damaged in any way. Simply leave it as you would wish to find it.

Common Room

There is an on-site common room available for all residents to use - you can hang out with friends here, enjoy a gossip over a cup of tea or simply relax and watch TV.

Laundry

The laundry room is available for all residents to use. Don't fancy heading down there only to find out that the machines are all in use? Then why not check on the free Washstation app for the machine availability? You will also get a notification when your washing or drying cycle is complete.

All machines are fully maintained and very easy to operate. Please speak to the Accommodation Team for more information.

Internet

Broadband and Wi-Fi is available throughout the building, 24 hours a day, so you can stay connected at all times. Wired connections are available via an ethernet cable (available from your accommodation team) connected to the wall socket in your room – simply open your web browser and follow the instructions.

For wireless connections, search for Glide.

You can enjoy impressive speeds of up to 100Mb/s over wired and Wi-Fi connections.

We recommend using the wired connection if you want to watch digital TV. 4TV allows you to watch over 50 digital Freeview TV and radio channels through your device via the internet.

Your local amenities at a glance

The local area includes all of the following, which should cover most of your daily needs:

- Sky Dome Arena
- Belgrade Theatre
- West Orchards Shopping Centre
- Odeon cinema
- Fast food outlets
- All that Coventry city centre has to offer

Your apartment

TV

A flat-screen is provided in every studio. If you've brought your own TV, just connect it to the TV aerial point in your bedroom, but please note that you are responsible for purchasing your own TV license. This can be paid for weekly, monthly or yearly by going online to: www.tvlicensing.co.uk

Heating

All apartments are supplied with electric central heating to keep you toasty warm.

Convection oven/microwave

All bedrooms have a combination oven/microwave. An instruction manual is provided, but if using the microwave function, please remember to take out the metal grill-stand as this will damage the appliance.

Induction hob

Induction hobs require induction pans to work (provided to you by us). You can use your own pots and pans if you prefer, but they will need to be the correct size for each cooking ring and be compatible with induction hobs. Select the on/off button and press the plus or minus sign to adjust the heat. Please note, there is a 5 minute safety time cut off.

The cooking extractor fan

In Block A, the extractor hood should always be used when cooking - this helps to prevent smoke and steam from activating the fire alarm. The hood has a light and three speed settings, which can be selected by pressing the buttons on the front.

Electricity

The electricity in your room is turned on when your room key card is placed in your energiser. To use all appliances in the kitchen, turn on the power button situated above your worktop. Please note, the power will automatically turn off after 5 minutes - when your time is running out, the power button will flash red and will need to be pushed again to give you another 5 minutes.

What to do if your electricity goes off or a fuse goes in your room

If your electricity goes off, a fuse may have tripped in your apartment. Please contact a member of reception who will be able to check this for you.

If a bulb has blown, the electricity will come back on but the light will remain out. Please inform reception, who will arrange to have the bulb changed.

If the electricity does not turn back on, it could be due to a faulty electrical item such as a hairdryer or toaster, so try unplugging any electrical items you were using when the electricity went off. If you cannot identify a faulty appliance, or the trip switch will not reset, please report this fault to the office as soon as possible.

How to use the shower

Hot water is available 24 hours a day, 7 days a week.

The shower is controlled by two dials, one on either end of the control bar. The far right dial turns the shower on/off and controls the water pressure. The left hand dial adjusts the water temperature. A safety button on the control bar stops the hot water from being accidentally turned up too high. If you want hotter water, simply press and hold down this button whilst turning the temperature control.

The bathroom extractor fan

The exhaust fan and the light in your bathroom will turn on and off automatically. Fresh air circulates through the ceiling exhaust fan when the bathroom is in use. The exhaust fan will turn off automatically when you close the bathroom door.

Windows

Every opening window has a restrictor on it. If you are on the ground floor, this is to ensure that no one can enter your apartment when the window is open. If you are higher up, the restrictor is in place for your own safety, so you can't fall out of an open window.

Storage

Storage space for bags and suitcases can be found under the bed so you can keep your room lovely and neat.

Room cleaning

Room cleaning takes place every two weeks. Our housekeeper will change your sheets and provide you with fresh towels. Housekeeping will also clean your bathroom, dust the surfaces in your room and Hoover throughout.

You are responsible for keeping your room clear and tidy so that the housekeeping team can provide you with their service accurately.

Waste Collection

Waste is collected from outside your door twice a week: on Tuesday and Friday from 8:00am to 12:00pm.

Please tie the garbage bag neatly and leave it in the hallway in front of your door in the plastic bin provided in the kitchen. Please do not put the garbage bag on the floor. Should your waste damage our carpet, you will be charged for it.

Cardboard boxes must be carefully flattened and folded.

If you need to dispose of extra waste, please speak with our staff at the reception.

What to do if you still need help

If you have any queries regarding your room or wish to report a maintenance issue, please visit reception. We are here for you 24/7. If you have a serious emergency (when the safety of you or your fellow residents is at risk or a serious maintenance issue such as a water leak, no electricity, or a broken window, has occurred) then please let us know straight away. You can contact reception on +44 (0) 24 7694 1235 or our out-of-office emergency line on +44 (0) 7890 613442.

Top tips for getting on with your new flatmates

We want to ensure that everyone enjoys their time at Burges House, so we ask everyone to stick to a few simple guidelines.

Respect each other's space

There are many areas marked as common areas and everyone should feel comfortable and happy using these spaces. Please ensure you leave the communal areas clean and tidy. If you are using the TV lounge or study rooms, please ensure you leave it tidy for the next residents to use.

Smoking or vaping are strictly not allowed anywhere in the building.

Be considerate about noise

Not everyone shares your taste in music, and even if your whole flat loves your latest download, the person downstairs trying to study might not appreciate a thumping ceiling. Try to keep noise to a minimum - if you can hear your music outside of your room, then the chances are that everyone else can too.

Try to be quiet coming in and out of your flat as well, especially at night when others might be sleeping. Remember that all doors in the building are fire doors - so if you don't close them quietly, they will close themselves with a loud thud!

Handling anti-social behaviour

If other residents are behaving in ways that cause you concern, then in most cases the most effective way in dealing with the problem is to speak to them yourself, perhaps with others who are affected. If you don't find this helps, then you should speak to an on-site student warden to see whether they have any advice on the situation. You can also speak to any member of the team at the accommodation office to take the matter further.

Accommodation office: +44 (0) 24 7694 1235 Out-of-hours emergency contact: +44 (0) 7890 613 442

If it's anti-social behaviour that you believe warrants police action then please call the police when the incident occurs. Non-emergency police number: 101 / Emergency police number: 999

Your guests

If you would like a visitor to stay with you in your room, then we are happy for you to have one person to stay overnight at one time, for a maximum of three consecutive nights.

All guest must be 18 years or over and must sign in and out at reception (this ensures they are accounted for in the case of a fire alarm).

National Code Assured Accommodation

All Collegiate student accommodation in the UK is covered by the ANUK / National Code for accommodation owned or managed by non educational establishments.

Benefits for students

The most obvious reason for choosing to live in a development covered by one of the ANUK/Unipol National Codes is that they provide reassurance: Reassurance that the accommodation is safe and well managed; and reassurance that, should any problems arise, there exists a mechanism to help get them resolved.

Compliance with benchmark standards

Members of the Codes voluntarily agree to comply with benchmark standards that relate to both the physical condition of a building as well as its day to day management. This means that students living within a building covered by the Codes can expect:

- Buildings that meet or exceed the local authorities fire safety requirements
- Sufficient bathroom and kitchen facilities.
- All repairs to be completed within agreed timescales.
- Advanced notification if managers need to access rooms and/or flats to undertake routine inspections or planned maintenance.
- Managers of buildings to act in a professional and courteous manner at all times.

Health care in the UK

Non-emergency healthcare matters are dealt with by doctors known as General Practitioners (GPs), in local surgeries. You need to register with a doctor before you are treated, so do this within the first week of your arrival in Coventry. You can register with a GP by going to the doctor's surgery and filling out a form. Names and addresses of doctors can be obtained from: www.nhs.uk

You do not need to pay to register with or to consult with an NHS doctor.

Keeping yourself and your flatmates safe

Follow these simple tips to ensure that you, your flatmates and your belongings are kept safe and sound.

Close your windows and lock your doors when you go out. Make sure that the door to the building and the door to your flat and study bedroom are kept locked at all times – even when you're in. When you're out, keep your bedroom door locked to protect your possessions.

Never tamper with, cover, or move any fire safety equipment. Doing so puts yourself and others at risk. Anyone caught doing this will face eviction, so don't stand by and let others do things that put you at risk if you see someone else interfering with fire safety equipment.

Make sure you know what to do in the case of fire and that you comply with any other health and safety regulations.

General Safety

Keep the main entrance doors locked at all times and do not prop them open.

Be aware of any strangers on the premises. It will take a while for you to recognise all tenants in the building, but if someone is acting suspiciously, let the accommodation team know. If it's out of office hours, call out-of-hour security on +44 (0) 7890 613 442 or the police.

If your room is at ground level, do not leave your window open when you're not there, always make sure that you put any valuables out of sight and close your venetian blinds so that people can't see in.

Always carry your keys and keycard with you and never pass them to anyone else.

If you're worried about your safety or any security on-site, please speak with a member of the accommodation team during office hours, or call the emergency out-of-hours contact on 07890 613 442 or the police.

Fire safety

It's vital that you know how to prevent fire and what to do if one happens. Please refer to the fire evacuation procedure notice located on the notice boards around Burges House.

1. Know your escape route – it is shown on the fire evacuation procedure notice.

When you arrive in your new room make sure you know where the nearest fire exit is. Read the fire notices dotted around the building so that you know your escape route from other areas as well.

Make sure you know where the evacuation assembly point is – details of this are located in your room and also in reception.

2. Keep access and fire exits clear

If you notice any obstruction to fire exits, please let a member of the team know. Bicycles must not be kept in your room or in the way of an escape route.

3. Know what to do if a fire alarm sounds

Refer to your evacuation procedure. Do not use the lifts.

Make your way to the evacuation assembly point – location details are displayed clearly at reception, at each exit point and emergency break glass point.

If you have left the building, do not attempt to re-enter until a member of the team or fire brigade has given you permission to do so.

Fire alarm

The fire alarm system is tested on a weekly basis. Test alarms last no longer than ten seconds. If the alarm lasts beyond this time, please carry out your evacuation plan.

General fire prevention

If the fire alarm activates then you **MUST** evacuate the building regardless of time of day. You **MUST** go immediately to the fire evacuation assembly point.

Do not misuse any fire fighting/prevention equipment, this equipment is there for your safety and the safety of others in the building. It is essential that it is always in full working order. The equipment in your building will be checked once a week by the accommodation team.

Please do not tamper with any smoke detectors. In the event of tampering, you will have to pay for an engineer to ensure that it is still in full working order. It can cost £250 or more for a call out.

Do not bring furniture into your room or kitchen that has not been pre-approved by the accommodation team. This is to ensure that it complies with Health and Safety standards.

Do not prop open fire doors, including the terrace area.

There is no smoking in any part of the building. Please do not smoke next to the front entrance where people regularly walk past or next to someone's window. Always put your cigarette end in the bins provided.

Do not let combustible waste build up in your bedroom or kitchen. The following items are not permitted due to being a fire hazard:

- Chip pans
- Deep fat fryers
- Halogen lights
- Candles and oil burners
- Fireworks
- Barbeques
- Incense burners
- Other naked flames

Good housekeeping

Clean living

Your kitchen

None of us like domestic chores, but it's important that your kitchen is kept clean. We'll be making regular checks (don't worry, we'll let you know beforehand when they will be) and we'll let you know if your kitchen fails any inspection.

Your room

We clean your room every two weeks but it's up to you to keep your room and bathroom clean. Our regular checks are to ensure that they meet our health and safety standards. If they fall below standard, you'll have 24 hours to clean them up or risk a charge.

Please remember:

- Please don't use abrasive cleaning products.
- Please don't put up posters or pictures other than on your notice board.

Your bathroom

It is important that you regularly clean and disinfect your shower head. This helps to control and manage the risk of exposure to legionella. You can find bathroom friendly detergents and disinfectants from any shopping stores including Tesco, Morrisons, Asda, Sainsbury's, Lidl and Aldi. Also please don't forget that you should not use hair or clothes dye in the bathroom as it will stain the shower pods!

Green living

We can all do more to make the planet a greener place, starting with how we behave in the home. Please help us make Burges House a greener place by ensuring we're more energy efficient around the development.

Lights – always switch off if you're not using a room.

Recycle – recycle as many waste items as you can, such as glass, plastics and cardboard, by using the recycling bins on-site.

Heating – do not leave the heating on AND your window open at the same time.

Be a user – Freecycle groups match people who have things they want to get rid of with people who can use them. Find your nearest freecycle group at: www.uk.freecycle.org

Book swap – you can re-use other people's textbooks and let them use yours for free on sites like: www.PaperBackSwap.com. All you have to pay for is shipping. You can also buy second hand books from www.amazon.co.uk.

Water – turn off the tap while brushing your teeth to conserve water. And when boiling a kettle, save electricity and water by never boiling more water than you need.

Reuse paper – before you throw away that page you printed by mistake or that paper covered in editing marks, how about using the other side to take notes in class, or chop it up to use as shopping lists and reminder notes?

Turn off your computer – reduce your energy consumption by turning off your computer when you're not using it.

Be thrifty – instead of buying an expensive new outfit or gadget, you can save some cash and help out the environment by shopping at a local charity store. Charity store shopping is another form of recycling – you reduce the energy used by factories to make new items, as well as picking up some great, vintage bargains for your wardrobe.

Spend less time in the shower – cut down your shower time by just two minutes to save water and electricity. It also means you can enjoy an extra two minutes in bed every morning!

Go paperless – save trees by going online and changing your bank account and any credit cards to paperless billing.

Reuse your bags – avoid plastic bags by purchasing a couple of reusable shopping bags. They can be used for everything, from food shopping to carrying your lunch, books or even a laptop.

Recycle your old mobile phone – earn cashback when you upgrade your phone by visiting: www.moneysavingexpert.com/phones/mobile-recycling

Consolidate your hair care products – buy 2-in-1 shampoo and conditioner to halve your hair product waste.

Wash clothes at a cooler temperature – modern washing powder means that 30 degrees should be warm enough to wash your clothes. You'll save electricity and your clothes will last longer due to the reduced heat damage that they suffer.

Your contract

Your contract with us is legally binding so please make sure you're clear on its terms and conditions. Here's an overview of some of the key facts:

You are bound to the full contract period – if you leave before the contract ends you will not receive a reduction in rent.

You must pay your accommodation fees on the due dates stated on your contract – outstanding debts will eventually be passed on to an external debt collecting agency. Once your debt has been passed on to the agency, you will be liable for all legal charges.

The Collegiate team may need access to your room for room inspections, maintenance and repairs, as well as for showing prospective students around during open days. We'll always give you at least 24 hours' notice (unless it is impractical to do so).

Collegiate does not accept liability for the loss or damage to any resident's property, whatever the circumstance. Contents insurance with Endsleigh (www.endsleigh.co.uk) is included in your rent. Please refer to your Endsleigh leaflet for upgrade options.

If you're unsure of your full legal obligations, please double-check your contract agreement and let us know if you have any queries.

Moving out

We want to ensure you are 100% happy during your stay with us, so if for any reason you're unhappy with your room, you can apply to change it at the accommodation office. Please bear in mind that during the first few weeks of term, almost all of our rooms are occupied or allocated to students, so a room change in the first two weeks might prove tricky. Instead, bear with us and try to settle in and get to know your new flatmates and home.

We've found that most students settle in within the first few weeks, make friends and then don't want to move, but if you really feel you would like to change rooms, let the accommodation team know and we'll do our best to find you a more suitable room as soon as we can.

Moving out at the end of your tenancy

We are always sad to see our residents leave, but we know that all tenancies have to end at some point.

As a condition of your contract, you'll need to book and meet a member of the team for a check-out inspection.

There are a few requirements for your last day:

- Your room needs to be clear of all belongings by 12 noon
- Please return all keycards to reception
- Please make sure your room and en-suite are clean before you leave

Protecting your personal information

Collegiate are committed to protecting and respecting the privacy of all parties with which it comes into contact.

You have a number of rights and protections under Data Privacy Law and Regulation. From the 25th May 2018, this is governed across all EU member states by the introduction of the General Data Protection Regulation (GDPR).

Prayer

(Ps 138:1) The prayer ends with the psalmist **honoring his God** because **of all creation he will glorify you, O Lord, for you are the working hands of kingdoms created by you.** The Psalm, then, affirms both the communion seeking and kingdom-seeking both of prayer.

As we look at the actual prayers of the Bible, we should consider also the Scripture's theology of prayer—the reasons in God and in our created nature that human beings are able to pray. We are told that Jesus Christ stands in our nature so that we, through uniting to ourselves, can boldly approach God's throne and cry out for help (Heb 4:14–16, 7:25). We are also told that God himself dwells within us through the Spirit (Rom 8:9–11) and helps us pray (Rom 8:26–27) so that even now by faith we may gaze and contemplate the glory of Christ (2 Cor 3:17–18). Thus the Bible gives us theological support for both communion-seeking and kingdom-seeking prayer.

A later reflection will show us that these two kinds of prayer are neither opposites nor even discrete categories. Addressing God is that through which we apply. **The prayer God is not prayer; it is the prayer that we pray to God, but it is an address to God, an application, we seeking God's kingdom more in God's grace to know God himself.** The Westminster Shorter Catechism tells us that our purpose is to "glorify God and enjoy him forever." In this famous sentence we see reflected both kingdom prayer and communion prayer. These two things—**glorifying God and enjoying God**—do not always coincide in this life, but in the end they mean the same thing. We may pray for the coming of God's kingdom, but if we don't enjoy God supremely with all our being, we are not truly honoring him as Lord.

Finally, when we consider many of the greatest of the psalmists' prayers—such as Augustine, Martin Luther, and others—we find that they do not fall neatly into either of these categories. They are both communion-seeking and kingdom-seeking prayers. They are both communion-seeking and kingdom-seeking prayers.

Through Duty to God

Where, then, does the heart of the church's prayer lie? It is in seeking personal communion with God and his kingdom in hearts and in the world. A first communion will not be just words on one hand, and our petitions will not be "for our many worlds" (Matt 6:7) on the other. This book will show that prayer is communion with God. These two concepts give us a way to pray for the coming of God's kingdom, but if we don't enjoy God supremely with all our being, we are not truly honoring him as Lord.

Finally, when we consider many of the greatest of the psalmists' prayers—such as Augustine, Martin Luther, and others—we find that they do not fall neatly into either of these categories. They are both communion-seeking and kingdom-seeking prayers.

Complaints handling and appeals

Complaints will be subject to the ANUK complaint procedure and subject to independent appeal and referral up to the ANUK committee on standards to ensure we have an open, fair and transparent process. We would also notify any affiliated University in our monthly written reports and deal with any major complaints through our routine daily and weekly liaison.

Collegiate Complaints Procedure

Collegiate is responsive to the needs of our students and visitors and welcomes comments and complaints as a means of improving services. We won't necessarily be able to change the things in the way that you would like or always meet your needs but we will always be able to give you an explanation of how a decision has been made. Collegiate will always be professional and courteous in dealing with complaints and we will try to be as quick as we can in responding to you.

Collegiate is a large community and it is inevitable that from time to time complaints arise. This procedure explains:

- How to make a complaint
- How you can expect us to deal with it
- What you can do if you are unhappy with our response

Informal

If you have a complaint, in the first instance please discuss this with a member of the accommodation team in person or with the Collegiate central management team to try and resolve the matter swiftly. If you do have a complaint you should let us know as soon as possible and within eight weeks of the event or lack of action about which you are complaining. Your complaint will normally be acknowledged within 48 hours (excluding weekends, public holidays and official University holidays) and responded to fully within five working days of the receipt of the complaint. If circumstances mean a full response is likely to take longer we will inform you and keep you informed of the process.

Formal

We know that you will love living in your new home, however we know that sometimes the unexpected happens. If you are unhappy with any element of living with us the quickest and easiest way to let us know and get a resolution is by speaking to your accommodation team. If you remain unhappy with the situation and would like to escalate your complaint the following procedure must be followed to ensure it can be fully investigated:

Phase 1

Let us know why you are unhappy and what you think we can do to fix this for you, by emailing the property management team for your building you live in burgheshouse@collegiate-ac.com. To ensure we can identify this communication as an official complaint please subject your email as 'Official Complaint'. Our Accommodation Manager will acknowledge the complaint within 48 working hours and deliver a full response within 7 working days in writing.

Phase 2

If you are unhappy with the outcome from our Accommodation Manager please email us at tenants@collegiate-ac.com

Please tell us what part of our Manager's response you are unhappy with and what your desired outcome is. To ensure we can identify this communication as an official complaint please subject your email as 'Official Complaint'.

Where a parent of a tenant is making a complaint then the tenant must confirm in writing that this constitutes their representative, without this we are unable to proceed further and it will delay the timescales of this process. We will acknowledge your complaint within 48 working hours and receive a response from a Senior Manager within 14 working days.

Phase 3

If you are unhappy with outcome of Phase 2 and you feel that we have broken the ANUK National Code of Standards you may contact this third party regulator to independently investigate your complaint. It is important to note that unless you have undertaken Phase 1 and Phase 2 of this process you will not be able to progress with Phase 3. Details for making a complaint with ANUK can be found at www.ANUK.org.uk

Review

If, once a final decision on the complaint has been given, you believe that the complaint has not been handled fairly or properly in accordance with this procedure, you can request a review by writing to the Director of Residences within ten working days of you receiving your written response. You will need to state why you are unhappy with the outcome and include copies of any correspondence exchanged during the earlier stages. You will receive an acknowledgement of your request within five working days.

The Registrar, or his or her delegated representative, will then review the case based on the documentation provided and will notify you of their decision within twenty working days of receipt of the request for the review. We will make every effort to follow the time limits set.

Confidentiality

All complaints will be dealt with confidentially though enquiries may have to be made to investigate the matters that are the subject of the complaint. The effectiveness of any complaints procedure depends on Collegiate being able to collect appropriate information from the parties involved in order to investigate the matter properly. For this reason, anonymous complaints will not be dealt with.

Harassment

Collegiate seeks to create a residential environment which is free of harassment and which protects the dignity of students and staff irrespective of their gender, sexual orientation, racial or ethnic background, religion or disabled status. It regards sexual, racial or personal harassment very seriously and requires all students and staff to observe its policy in this area.

Students who believe they are experiencing harassment within their accommodation are advised to raise this with their warden in the first instance. You can also contact the Equality and Diversity Office or the Students Union Advice Centre.

External Referral

Collegiate is registered to comply with the regulations set by the ANUK code of practice for larger student developments. If you believe that Collegiate has not dealt with your case properly, or that the outcome is unreasonable then you can, provided you have completed all of our internal procedures, complain to the ANUK Code directly.

Equality and diversity

Collegiate – committed to equal opportunities

Managers of Collegiate’s premises will ensure that all accommodation allocation procedures comply with applicable equal opportunities policies.

Where no equal opportunities policies exist, managers will ensure that no person or group of persons is discriminated against or unfairly treated because of their race, colour, ethnic or national origin, gender, disability, appearance, age, marital status, sexual orientation, social status or any other factor.

As part of its commitment to assisting persons with disabilities, Collegiate will ensure that charges for rooms adapted for use by students with disabilities do not exceed the standard room rate for the building in which they are located.
