Contents insurance

We have partnered with Endsleigh, a company with almost 60 years' experience providing insurance and bespoke solutions to the education sector, and arranged contents insurance for all our students staying with us in our residence. It is important that all students confirm their cover to ensure you understand what is and isn't insured. You can do this by downloading the MyEndsleigh app and registering.

Visit MyEndsleigh (www.endsleigh.co.uk/student/confirm-your-student-cover/) to view what is and isn't covered, get claims support, personalise your cover, and access wellbeing support.

Quick Tip! if you are bringing a bicycle our contents insurance does not cover it, so be sure to add this to your cover if you want it protected.

OUR STAFF

Training

We exceed the industry standard for training; our accommodation staff are fully ANUK trained and have undertaken specific Covid-19 awareness training which ensures they have a full understanding of coronavirus and how to reduce its spread.

Wellness

At Collegiate we take a holistic approach to your wellness and our accommodation teams are here to fully support you and help you to settle into your new home.

Our site teams are fully Mental Health First Aid trained by MHFAE and we have strong links with all Universities in all our cities. There will always be somebody on hand to support you.

We have lots of exciting events planned for your arrival weeks and throughout the academic year.

These are designed to help you make new friends and build a friendly supportive community within your new home.

DURING YOUR STAY

Council Tax Exemption Forms

When you enrol at your university, you will receive a Council Tax Exemption certificate so that you don't have to pay Council Tax. This form can normally be found on your university portal or directly from your university. **It is important that this document is uploaded to your Collegiate portal or you may incur Council Tax charges.**

Our COVID-Secure Promise

Collegiate are committed to creating a safe and secure living environment and as a result, we have made some positive changes to our check-in process, as well as how the site operates.

Internet

Access to unlimited WiFi is included in your stay. Your internet will be provided by either ASK4 or Glide. Please search for this WiFi network, connect and wait for a pop-up screen to appear which will ask you to create an account for your stay. Once completed, this will give you full access.

For any connectivity issues, please contact the internet provider:

ASK4: [+44 \(0\) 114 303 3232](tel:+441143033232)

Glide: [+44 \(0\) 333 123 0115](tel:+441143331230115)

Out of hours emergency contact

In the event of an emergency out-of-hours please contact us on: [+44 \(0\) 3333 214 064](tel:+44114333214064)

Mail

There are post boxes on-site where mail is delivered at most of our properties. Please ask one of our friendly team at the reception desk where these are located or any other system we may have in place.

Any larger mail/parcels will be stored in the parcel room. If your parcels need signing for, a member of the team will be happy to do this. You will need to bring photo ID to reception to collect your parcels.

Cycle Store

Cycling is a great way to exercise and a cheap and enjoyable way to explore. You can bring your bicycle to Clarendon Street.

We offer secure bike storage where you can store your bike but please note we can't take responsibility for any loss or damage to bicycles left in the storage area. If there is a problem, please notify the police and the accommodation team.

Be considerate about noise

Not everyone shares your taste in music, and even if your whole flat loves your latest download, the person downstairs might not appreciate a thumping ceiling. Try to keep noise to a minimum – if you can hear your music outside of your room, then the chances are that everyone else can too.

Try to be quiet coming in and out of your flat as well, especially at night when others might be sleeping. Remember that all doors in building are fire doors – so if you don't close them quietly, they will close themselves with a loud thud!

Your Guests

We want to ensure all residents and staff's safety and security, to maintain a comfortable living environment where everyone can thrive. Everyone should be respectful of others and their surroundings.

A guest is welcome to stay for up to 3 consecutive nights per week. Any overnight guest must sign in with the Accommodation Team and should not cause any nuisance or annoyance to anyone, as per your [Tenancy Agreement](#), Student Handbook and Collegiate online induction. Guests should always be accompanied by a resident. Additional consideration should be applied when using shared areas, to avoid inconveniencing other residents.

Please discuss any requests for multiple guests or longer stays with the onsite management team as this may not be suitable for certain areas or room types.

WE CAN FIX IT

Can't find your keys? Got a leaky tap? Whatever you need, we're here to help.

Lost your key card or locked yourself out?

These things happen, so don't worry. We can help; if you lose your key card, we can replace it for a small fee. You just need to request a replacement from the accommodation reception.

If it is out of office hours, and our team are not at reception, you can contact the security team on **+44 (0) 3333 214 064** who will arrange the replacement key for you.

Key cards are important to keep hold of, and costly to replace. Please keep them safe and remember where you left them.

Got a maintenance issue?

Things wear out and things get broken, it's a part of life. If something needs sorting out, simply pop to reception or call the accommodation team to report it.

The repair will be carried out in accordance with an agreed schedule of priorities. A time will be arranged for our maintenance team to come and fix things. They will always knock before entering a bedroom. Rest assured, the problem will be solved quickly and efficiently.

Need an emergency repair?

If you have an emergency maintenance issue, such as a burst pipe or a broken window, and it's outside of maintenance staff working hours, you can report it to our on-site security team. They'll immediately contact the appropriate person to rectify the problem.

If you have a non-emergency maintenance issue, such as a defective fridge/freezer, a blocked drain etc, please hang on and report this to the accommodation office during office hours. These types of issues will be dealt with during the usual maintenance staff working hours.

Protecting your personal information
