ARRIVAL INFORMATION

Check-In at your accommodation

On the day of your arrival, you will be guided by your friendly site team to the check-in desk where you will be given your keys to check in to your room.

What to bring

Your stay with us is based on 'room only' which means you will need to bring the following things with you for your stay as they are not included:

- Bedding
- Kitchen utensils, crockery & cutlery
- Towels
- Toiletries, including toilet roll

Contents Insurance

We've partnered with Howden to provide contents insurance for all students staying with us this summer. Your belongings are covered while you're living in our residence, but it's important you register on the Howden for Students app to check what is and isn't included in your cover. Once registered, you'll be able to view your policy details, personalise your cover, access student-friendly discounts, make use of the gadget trade-in portal, and get 24/7 support through the wellbeing helpline. If you're bringing a bicycle, please note that it isn't covered as standard – you'll need to add this to your policy if you want it protected.

You can register here: <https://students.howdengroup.com/registration?accommodationUUID=ac-collegiate>

DURING YOUR STAY

Internet

Access to unlimited WiFi is included in your stay. Your internet will be provided by Glide. Please search for this WiFi network, connect and wait for a pop-up screen to appear which will ask you to create an account for your stay. Once completed, this will give you full access.

For any connectivity issues, please contact the internet provider:

Glide: [+44 \(0\) 333 123 0115](tel:+44203331230115)

Out of hours emergency contact

In the event of an emergency out-of-hours please contact us on: [+44 \(0\) 333 321 4064](tel:+44203333214064)

Mail

We have mailboxes located at Earlsdon Street where your regular mail will be delivered. If you're unsure where to find them, just ask one of the friendly team and they'll be happy to point you in the right direction. Please make sure your mail is clearly addressed so it reaches you without any issues.

Cycle Store

Cycling is a great way to exercise and a cheap, enjoyable way to explore. You're welcome to bring your bicycle to Earlsdon Street.

We provide a bike store where you can securely leave your bike, but please note that we can't take responsibility for any loss or damage to bicycles left in the storage area. If there's a problem, please notify the police and inform the accommodation team.

Be considerate about noise

Not everyone shares your taste in music, and even if your whole flat loves your latest download, the person downstairs might not appreciate a thumping ceiling. Try to keep noise to a minimum – if you can hear your music outside of your room, then the chances are that everyone else can too.

Your Guests

Overnight guests are allowed in your room for a maximum of two consecutive nights, and **MUST** sign in on arrival at reception via our online App.

It's OK to invite friends over for lunch or dinner now and again, but you should be careful not to inconvenience your neighbours. The behaviour of any person you invite into your building, apartment or room is ultimately your responsibility. You'll be held accountable if there are any complaints from your flatmates, or any damages caused by your guest(s), so make sure they behave as well as you do!

WE CAN FIX IT

Can't find your keys? Got a leaky tap? Whatever you need, we're here to help.

Lost your key card or locked yourself out?

These things happen, so don't worry. We can help – if you lose your key card, fob, or key, we can arrange a replacement for a small fee. To do this, please contact [**+44 \(0\) 333 321 4064**](tel:+44(0)3333214064) where a member of the team will assist in arranging a replacement for you. Please wait for the operator to answer your call – they will not be able to call you back if the line is disconnected before you speak to someone.

Key cards are important to keep hold of and can be costly to replace, so please make sure you keep yours safe and try to remember where you last had it.

Got a maintenance issue?

Things wear out and things get broken – it's a part of life. If something needs fixing, please report it through your online portal. This ensures the issue is logged correctly and can be prioritised by our maintenance team.

Repairs will be carried out based on an agreed schedule of priorities, and a suitable time will be arranged for our maintenance team to attend. They will always knock before entering a bedroom, and you can rest assured that the issue will be resolved as quickly and efficiently as possible.

Need an emergency repair?

If you have an emergency maintenance issue, such as a burst pipe or a broken window, and it's outside of maintenance staff working hours, please report it directly to the security team. They will escalate the issue to the appropriate out-of-hours contractors to ensure it's dealt with as quickly as possible.

For non-emergency issues, such as a faulty fridge/freezer or a blocked drain, please report these to the accommodation office during working hours so they can be resolved by the maintenance team.
