Contents Insurance

We've partnered with Howden to provide contents insurance for all students staying with us this summer. Your belongings are covered while you're living in our residence, but it's important you register on the Howden for Students app to check what is and isn't included in your cover. Once registered, you'll be able to view your policy details, personalise your cover, access student-friendly discounts, make use of the gadget trade-in portal, and get 24/7 support through the wellbeing helpline. If you're bringing a bicycle, please note that it isn't covered as standard – you'll need to add this to your policy if you want it protected.

You can register here: <https://students.howdengroup.com/registration?accommodationUUID=ac-collegiate>

Mail

All post will be delivered to the office, letters will be posted through the doors of individual rooms.

Any larger mail/parcels will be stored on the top or bottom of the mailboxes. You will receive a code via email from our provide Parcel Safe Place. You will need this code to collect your parcel. If your parcels need signing for, a member of the team will be happy to do this.

Cycle Store

Cycling is a great way to exercise and a cheap and enjoyable way to explore. You can bring your bicycle to Middle Street.

We offer an indoor bicycle store where you can store your bike but please note we can't take responsibility for any loss or damage to bicycles left in the storage area. If there is a problem, please notify the police and the accommodation team.

Be considerate about noise

Not everyone shares your taste in music, and even if you love your latest download, the person downstairs might not appreciate a thumping ceiling. Try to keep noise to a minimum – if you can hear your music outside of your room, then the chances are that everyone else can too.

Try to be quiet coming in and out of your flat as well, especially at night when others might be sleeping. Remember that all doors in building are fire doors – so if you don't close them quietly, they will close themselves with a loud thud!

Your Guests

Overnight guests are allowed in your room for a maximum of two consecutive nights, and MUST sign in on arrival at reception via our online App.

The behaviour of any person you invite into your building, apartment or room is ultimately your responsibility. You'll be held accountable if there are any complaints from your neighbours, or any damages caused by your guest(s), so make sure they behave as well as you do!

WE CAN FIX IT

Can't find your keys? Got a leaky tap? Whatever you need, we're here to help.

Lost your key card or locked yourself out?

These things happen, so don't worry. We can help; if you lose your key card/fob/key, we can replace it for a small fee. You just need to request a replacement from the accommodation reception.

If it is out of office hours, and our team are not at reception, you can contact student warden team on [+44 \(0\) 3333 214 064](tel:+44203333214064) who will arrange the replacement key for you. Please wait for the operator to pick up the call as they will not call back if you cut off the line without speaking to a member of the team.

Key cards are important to keep hold of, and costly to replace. Please keep them safe and remember where you left them.

Got a maintenance issue?

Things wear out and things get broken – it's a part of life. If something needs fixing, please report it through your online portal. This ensures the issue is logged correctly and can be prioritised by our maintenance team.

Repairs will be carried out based on an agreed schedule of priorities, and a suitable time will be arranged for our maintenance team to attend. They will always knock before entering a bedroom, and you can rest assured that the issue will be resolved as quickly and efficiently as possible.

Need an emergency repair?

If you have an emergency maintenance issue, such as a burst pipe or a broken window, and it's outside of maintenance staff working hours, please report it directly to the security team. They will escalate the issue to the appropriate out-of-hours contractors to ensure it's dealt with as quickly as possible.

For non-emergency issues, such as a faulty fridge/freezer or a blocked drain, please report these to the accommodation office during working hours so they can be resolved by the maintenance team.
